

Hosted in collaboration between Barefoot Facilitation Inc. and NL Housing and Homelessness Network:

Diversity in the Workplace: Working with Anyone, Anywhere

Workshop Description:

Diversity is all around us: where we work, live and play. We see this cultural diversity reflected through race and ethnicity, language, (dis)ability, age, sexual orientation, gender and gender identity, socio-economic status and so on.

This half-day workshop will help you to increase your self-awareness about diversity and identify ways you can enhance cultural sensitivity in your work, community and family life.

Upon completion of this workshop, you will:

1. Define aspects of culture and diversity.
2. Reflect upon your personal experiences with inclusion and exclusion.
3. Discuss elements of culture and diversity, and how they impact you and your workplace.
4. Understand how your own personal diversity may contribute to power and privilege.
5. Understand the impact of stereotypes and biased statements, even when casually said.
6. Identify personal actions for enhancing cultural sensitivity in your workplace.
